Ingrid lives and works in the Isle Of Mull. There she finds the calm necessary to connect with herself, surrounded by the beautiful and poetic scenery in Scotland.

Ingrid studied photography in Barcelona in the 'Escola de Visual Arts' and worked in the business for 20 years. With her interest of exploring the world through different lenses, she studied traditional oil painting in an Atelier in Madrid for 5 years. Ingrid has continued to study independently, through workshops, exploring and creating.

Ingrid has always been interested in finding the beauty that connects us to our soul; the beauty that lives in pain and survives in the ordinary.
